Program Outcome/Program Specific Outcome

Nirmala College is a premier leading institution for women in the state of Jharkhand and committed towards the task of empowering young girls and making them powerful resources of the nation. The college over the years has grown up as a multidisciplinary Junior and Degree college with Arts, Science , Commerce and Vocational Courses in UG and Post-Graduation in five arts subjects- Economics, Geography, Hindi, History and Political Science and UGC approved Add-on Course in Computer Application.

The College gives lots of emphasis on Career building of the students. Therefore, we have been availing online/offline programmes like STP In collaboration with IIT Mumbai, TISS EXCEL Programe etc.

Through its multiple programs, the institution provides a platform to hone the innate talents & skills of the students in their respective fields. After completion of Graduation, the students acquire academic proficiency, skills and self confidence which helps them to pursue their higher studies. Many pursue Masters in their specific subjects and many go for Vocational oriented courses - Management, Banking, B.Ed., Nursing & other professional courses. After graduation some become eligible and competent to appear in various competition exams, find placement in IT companies, banking sector, teaching jobs etc. Our students are placed in several reputed companies i.e. Concentrix Daksh, TCS, Tech Mahindra, Wipro Ltd., Indigo Airlines etc. Overall the girls become empowered and employable in various sectors of professional life.

Programme Specific/Course Outcomes
